1. A Soviet officer stated that troops will not arrive at Camp Werder near Jueterbog until April. The seltzer water factory at Oranienburg was ordered to supply the Kannenberg summer camp with seltzer water, beginning 15 March. One hundred hectoliters were to be delivered on 15 April.*
2. Furniture was unloaded from individual boxcars at the Eisenach railroad station during the period from 13 to 17 March. Groups of three men each, carrying suitcases and rucksacks, arrived at the same time. One motor vehicle of the 39th and one of the 57th Guards Mechanized Rifle Division were seen in the area of Kindel.**
3. A troop train from Erfurt arrived at Jueterbog on 20 March and returned there empty on the same day.***

* ☐ Comment: These two items of information make it possible to state fairly definitely that the troop training grounds at Werder and Templin will be occupied by troop units for summer training only in the course of April as they were in 1951.

25X1

** ☐ Comment: Advance parties may have arrived in Kindel in mid-March.

*** ☐ Comment: This is possibly the first indication that the command post exercise in the area northwest of Naumburg was completed on or about 20 March.
